

Garage Cleaning Checklist

Two Keys to remember:

- 1.) Know what's there &
- 2.) Only keep what you will use

Step 1: Categories (circle the ones that fit your stuff and write in your own)

- Paint (or empty paint cans)
- Paint Supplies
- Wood scraps
- Small handheld garden tools
- Large garden tools, garden hose
- Other tools (drill, driver, hand chain saw)
- Snow shovels (if you are lucky to live someplace you need those)
- Hardware (screws, nails, etc)
- Car cleaning and maintenance supplies
- Christmas decorations
- Sports equipment
- Halloween decorations
- Christmas Tree
- Extra tiles from remodeling
- Workout equipment
- Signs
- _____
- _____
- _____
- _____

Step 2: Sort

- Move everything you haven't touched in a year to one side
- If it's something you don't want to throw away, move to the donate side

Step 3 - Clean and Replace

- wipe down shelving and sweep floor
- group like items together
